

CVS Specialty® Pharmacy Distribution Drug List

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

This is a guide of medications available and distributed through CVS Specialty. Our goal is to help make your life better. With more than 40 years of experience, CVS Specialty provides quality care and service. Our network of pharmacies includes certifications and accreditations from The Joint Commission, Utilization Review Accreditation Commission (URAC), National Association of Boards of Pharmacy (NABP), Pharmacy Compounding Accreditation Board (PCAB) and the Accreditation Commission for Health Care (ACHC). These nationally recognized symbols reflect an organization's commitment to meet highest standards of quality, compliance, and safety. This list is updated quarterly. Below brand-name products are in CAPS, and generic products are shown in lowercase italics.

*Indicates Limited Distribution drug distributed only by Coram CVS Specialty Infusion Services.

†Drug Not Stocked

Specialty and non-specialty products distributed by CVS Specialty, as well as products covered by a member's prescription or medical benefit plan, may change from time to time. In addition, a member's specific benefit plan design may not cover certain products or categories, regardless of their appearance on this document. Call CVS Specialty at 1-800-237-2767 (TTY: 711) for specific medications available through CVS Specialty. Listing is subject to change.

This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Specialty. Fax: 1-800-323-2445; e-Prescribe: CVS Specialty Pharmacy.
